The browser's taskbar at the bottom shows various application icons and the system clock indicating 19:49 on 16-11-2022.

Step 3:

Then it will redirect you to a home page of your sendgrid account.

The screenshot displays the SendGrid account home page. At the top, a navigation bar includes a "Review" alert: "Your account is under review and we'd like to know a little more about you and how you intend to use Twilio SendGrid." Below this, the page is titled "Welcome, Sugli!" and includes a subtext: "To get up and running quickly, please follow the steps outlined below." The main content area features a large blue banner with the text "Send your first emails with Twilio SendGrid" and an illustration of two people celebrating. Below the banner, a section titled "Create a sender identity" provides instructions: "Before sending email, you'll need to create a sender identity. There are two ways to do this, but we recommend creating a Single Sender to get set up quickly and test your email integration." Two buttons are visible: "Create a Single Sender" and "Authenticate a domain instead". A small inset image shows an email header example: "Your Business" and "to me" with a "SendGrid" logo. The left sidebar contains a menu with items: "Sugli SUGLA", "Dashboard", "Email API", "Marketing", "Design Library", "Stats", "Activity", "Suppressions", and "Settings". The browser's taskbar at the bottom shows the system clock indicating 19:59 on 16-11-2022.

Step 4:

Finally, you have created your account and now you can access the sendgrid account.
